"Shelby American has been performing ride and handling testing over the past several months. I am pleased to say that Ride-On will be offered to the owners for use in their Series 1's with the backing and confidence of Shelby . Thank you for all your efforts to make this happen. "

Mark Visconti, Vice President Engineering - Shelby American, Inc

"Ride-On is a great confidence builder on long trips through desolate territory. Adds a new dimension of riding quality and smoothness."

Todd B. VanSlyke, BMW DFW Motorcycle Club – Evanston, IL

"Ride-On TPS sealant was selected as a preferred vendor and product after an exhaustive testing and evaluation period covering more than 2 years. These long term tests included police cruisers... As of January of 2002, the installation of Ride-On TPS was mandated in all tires mounted on the City of Baltimore vehicles."

Charles Krysiak, Fleet Administrator - City of Baltimore

* price is for 4 pcs of passenger car tire with sizes 185-195 / R13 - R15. For other tire sizes, please call to check.
